---

**Knysna Marathon Club** takes great care each year in selecting our event Charities, as we operate in a small community and do know of the great needs that exist. Your compassion in including that something extra each year with your entry fee is sincerely welcomed by our selected Charities. The donations you make as well as the proceeds from the sale of the Charity tickets get split between these Charities for 2025.

**Clothing collection** is destined to become the biggest of its kind in the country and your gifts of clothing collected at Registration as well as along the race routes make sure our underprivileged communities stay warm during the coldest part of winter. Please do not hand clothing directly to the local community. It only draws massive amounts of non-runners to the area resulting in Security risks and the clothes do not end up where it is needed most. We do have a properly organized distribution program managed by Knysna Marathon Club that collect and properly distribute the clothing where the need is highest.
